To: Annette Chan <annettechan8@gmail.com>

Also made this a little bit ago. 13yr old neighbor gave me recipe. But what I did was cream eggs n sugar together first, then added one cube(not 7 T:) melted butter n mixed some more, added vanilla. Then added

Unsweetened coconut milk/water. Mix all up then added dry ingredients. Put into 13x9 buttered pan n bake one hour... pretty yummy if U like mochi!! Xxxooxxxxooo
