

6/23/99

Mashed Potatoes

6 medium all-purpose potatoes

Milk

Butter or margarine

Salt

Pepper

Peel potatoes and cut them into quarters. Cover them with cold water. Bring to boil and boil gently for 15-20 minutes or until tender when pierced with a fork. Drain. Add milk and butter. Mash until smooth. Add more milk if necessary. Add salt and pepper to taste.

Makes about 4 cups.
