Valentine for One

Surprise your little Valentine on
February 14 with a mini cake baked
in two clean 6-ounce tuna cans.

Here's how: Remove the labels and
thoroughly wash both cans. Preheat
oven to 350°F. Butter and flour the
cans. Cream together 2 tablespoons
softened butter, ¼ cup granulated
sugar, 1 egg, and 1 teaspoon vanilla.
Mix in ¼ cup flour, ½ teaspoon salt,
and ½ teaspoon baking soda. Divide
the batter evenly between the cans.
Bake for 20 minutes, or until done.
Invert cans over waxed paper to
release cakes, turn cakes upright,

and let cool completely before frosting. For frosting: Melt 2 squares unsweetened
chocolate, 1 tablespoon butter, and ½ cup milk in a double boiler over simmering
water. Remove from heat and cool slightly. Stir in 2 cups confectioners' sugar and 1
teaspoon vanilla. When the frosting is thick enough to spread, sandwich layers
and frost.
